Welcome Back!

We hope everyone had a fantastic summer and has come back to school with lots of energy. As usual we've had a busy start to the year!!

Reading Books

We have just bought a lot of new reading books in the Primary department to carry on with the Oxford Reading Tree started in Ruben Darío. Please look after them as one has already come back with pen on it.

We are delighted to say that all our new children in both the Infant and Primary department have settled in well. The K1 children have adapted very quickly to the daily routine and seem like old hands!

We also have a new year group in the Infants this year. We now have a group called the "Teddies" who are with Miss Anthea and Miss Penélope. They are our smallest children in the school but have settled in so quickly. Well done teddies!

New Teachers

A big welcome to our new teachers who have started this year. We have Mr. Lewis in 1C, Miss Kerry in 2A, Miss Gemma in 4A and Miss Angela in 5C. Some of you may remember Miss Angela who taught with us before. Welcome also to Mr. Justo who has joined our Spanish teachers in the Primary department. We hope all the children make them feel at home.

Primary Treasure Points

We have an underwater theme for this year's points!

School Trips

We have already had some classes go out of school on trips. K3 really enjoyed their visit to Parque Rehoyas on Friday when they were lucky enough to participate in a Police Open Day. They loved seeing the police dogs and the police helicopter. More trips are planned throughout the school. Keep an eye out for the letters!

Maths Workshops - We will shortly be holding our Maths workshops in the Primary department. If you want to find out more about the methods we use or strategies to help your child, just fill in the form and come along! Be prepared to participate!

Web Page of the Month

www.britishcouncil.org/kids/english

There are lots of games, stories etc to help the children improve their English.

School Photos

They are earlier this year. Look out for the dates on the school web page. Remember to brush your hair that day. ☺

A Riddle

Can you spell eighty in two letters?

Charity Money

At the end of last term in the Primary department we collected money for two different charities. Money was raised on "street clothes" day, Canary Day and on the 4th grade cake stall. We donated **800,00 Euros** to San Juan de Dios and **600,00 Euros** to Obra Social San Benito. Thank you for your continued support.
