## NEWSLETTER SECONDARY SECTION. FEBRUARY-MARCH 2010

Dear parents,

*I would like to inform you about the following important matters for the next two months.*

**School rules.** *In general students are bringing the correct uniform to school. However, some students are bringing trainers with winter uniform, when they should be wearing shoes. Please help us reinforcing this rule at home.*

**Public exams in S4, S5 and S6.** *The provisional timetable of these is published in the school's webpage. Students enter now a period of serious work. They must spend time at home working hard as independent study is essential to be successful in these exams. May I ask for your cooperation in this?.*

**Discipline in school.** *Discipline in School is working well. Most students are following school rules and those who aren't are being told to do so. The atmosphere in school is healthy and positive. There are no episodes of violence and students are respecting one another.*

**End of term dates.** *Easter holidays begin on Friday 26th March 3.35 pm and students must be back in School on Monday 12th April at 8.30. Reports will be issued to students on Tuesday 23<sup>rd</sup> March; parents evening will be on Thursday 25th March from 4 until 6.30 pm.*

**Material students need to bring to school:** *pens, pencils, rubber, sharpener, ruler, calculator etc.*

*Thanks once again for your cooperation in this exciting adventure of educating your children.*

*Yours sincerely*

*Pedro Tomás. Headmaster*
